

ADDENDUM #3

RFP # PARCS10122018

**PARKING ACCESS REVENUE CONTROL SYSTEM (PARCS)
and
FIBER-OPTIC AND CAT6 STRUCTURED CABLING NETWORK**

at the

PIEDMONT TRIAD INTERNATIONAL AIRPORT

for the

PIEDMONT TRIAD AIRPORT AUTHORITY

November 20, 2018

The intent of this addendum is to provide additional and updated information.

- **The existing conduit maps and estimated distance requirements have been issued.**
- **The existing conduits can NOT be reused except the 2" from Electrical Room in Parking Structure to the Exit Plaza. New conduits will be a requirement of this PARCS and Network RFP.**
- **A revised Price Form has been issued. The lane configuration has been increased by one (1) of line item # 4 and reduced by one (1) of line item #6.**

Please sign and return one (1) copy of this addendum cover page with your proposal to confirm receipt and acknowledge the provided information.
