

PIEDMONT TRIAD AIRPORT AUTHORITY
RESIDENTIAL SOUND INSULATION PROGRAM
PHASE 7
ADDENDUM NO. 2

A. Schedule Changes.

The following changes are made to the previously scheduled dates for the bid process:

- The date at time for submission of bids and the bid opening are postponed to **March 12, 2019 at 10:00 a.m.**
- The date for bidders to submit questions concerning the Instructions to Bidders or Contract Documents is postponed to **March 1, 2019.**
- The date for bidders to submit requests for approval of any proposed product substitutions is postponed to **February 13, 2019.**

B. Revisions to Project Manual.

The following revisions are made to the Project Manual to reflect the foregoing schedule changes:

1. The Notice to Bidders and Section 6 of the Instructions to Bidders are each revised by deleting "February 11, 2019" and substituting "March 12, 2019."
2. Section 6 of the Instructions to Bidders is revised by deleting "February 1, 2019" and substituting "March 1, 2019."
3. Section 7 of the Instructions to Bidders is revised by deleting "February 1, 2019" and substituting "February 13, 2019."

Except for the substitution of the new dates specified above, the Project Manual is unchanged.

C. Further Addenda.

The Authority will issue further addenda to provide the specifications for central air conditioning systems for houses

in which central air will be installed, to provide any further specifications or revisions to the Project Manual that may be needed, such as additional detail for the fiber-cement siding installation on houses with non-vinyl siding, and to answer any other written questions that are submitted prior to 3/1/19 deadline for bidder questions.
