

INTERESTED IN HAVING YOUR ART FEATURED AT PTI?

Each year in February a call to artists is sent to art councils statewide. Artists can submit their work for review and selection by the Public Art Committee of the Piedmont Triad International Airport.

The goal of the *PTI Art Master Plan and Program* is to showcase the diversity, creativity, and history of the region through art as a means to welcome and honor the patrons of our airport.

The Piedmont Triad International Airport is proud to present our *Walking Tour of Art*. Celebrating *local artists* from all over the Triad and surrounding areas, the art displayed on the arrivals and departures levels and outside the airport has been selected based on *variety, creativity and expression*. The collection on display rotates annually. *Visit us often and enjoy the arts at PTI.*
